

THEY'RE ALL THERE . . . All the past presidents of the Torrance Junior Chamber of Commerce showed up for the installation ceremony of the club recently. Left to right, in order of their tenure, are Howard Percy, Ed Karlow, Bert Lamb, Marvin Goetsch, Vern Lovelady, and Fred Hansen—a past president by just a few minutes when this photograph was made.

Exchange Club Convention Set This Week End

Plans for the annual convention of the California State Exchange Clubs at Santa Cruz, June 23-25, have been completed, according to J. William Speer of Berkeley, president and the delegates will hear talks by widely known speakers and will be entertained by a "Search for Talent" contest which will feature "Miss America," San Francisco's Lee Ann Meriwether.

Dr. Nicholas Nyardi, former minister of finance of Hungary and a noted political scientist and lawyer, now heading the economics department at Bradley University in Peoria, Ill., will be one of the featured speakers.

Others will be General Harold H. Townsend, who was chief engineer on reconstruction and rehabilitation following World

II in Italy, France, Germany, Egypt, India, and many Asiatic countries; Fred M. Hudson, D.D., who fills the Trinity Baptist Church pulpit at Santa Monica and is famed for his inspirational talks and humor; and Grant Macfarlane of Salt

Lake City, president of The National Exchange Club. Installation of new officers will take place during the annual banquet Saturday evening, June 25, at Capitola.

POPULATION HUB
United Nations experts believe one-tenth the human race—200 million people—live in China's Yangtze river basin.

New Thrills Promised at Legion Show

New pyrotechnic thrills, plus new speedway spills have been added to this year's American Legion Fireworks Show at Los Angeles Memorial Coliseum, not only to keep it the biggest—but to make it the TWO biggest Fourth of July spectacles on earth.

This was announced yesterday by Harry Myers, special events director, who reports that the famous Art Swenson Thrillcade of motorcycle and automobile stunt men has been engaged for this 23rd annual benefit show.

Hotrodders and speed fans thus get a chance to see Thrillcade daDevils on their first trip to the west coast, crashing through walls of fire, looping the loop and performing such exciting feats as the "Ride of Death" and the slam-bang automobile broad jump.

The "Ride of Death," abandoned by Ringling Bros. Circus some 25 years ago as too dangerous, has claimed the lives of nine stunt men to date. An abbreviated race car plunges down an almost verticle runway, then whips up into a triple somersault. Most times, the vehicle lands right side up on a receiving ramp—but when it doesn't, someone gets hurt.
